LB 495A, 925

LB 495A.

PRESIDENT MAURSTAD: The bill is advanced. Mr. Clerk, General File, 2000 senator priority bills.

CLERK: Mr. President, the first bill, LB 925 by Senator Landis. It's a bill for an act relating to...or it provides a tax credit for bills...business child-care expenditures. The bill was discussed yesterday, Mr. President. At that time, amendments by Senator Hilgert and Senator Wickersham were adopted to the bill. The Legislature recessed for the noonhour prior to moving to advance the bill. I now have pending, Mr. President, a motion by Senator Bohlke. Senator Bohlke would move to reconsider adoption of the Wickersham amendment, specifically FA363 to LB 925. (FA363, Legislative Journal page 1496.)

PRESIDENT MAURSTAD: Thank you, Mr. Clerk. Senator Bohlke, you're recognized to open on your motion to reconsider FA363.

SENATOR BOHLKE: Thank you, Mr. President and members. We...I filed this because, at the end of the last time we discussed this bill, it seemed very likely that we may lose the whole bill. Senator Landis had still wanted to take it up, but reading comments in the paper today and the likelihood of this bill being signed eventually looks rather dim and so, therefore, Senator Landis has been working and wants to have some discussion. I'll pull my amendment and we'll let Senator Landis get to the issue he would like to discuss with us. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Bohlke. Senator Bohlke, to clarify, you'd like to pull the amendment (sic--motion)? Without...without objection, the amendment is withdrawn.

CLERK: Mr. President, I have nothing further on the bill at this point.

PRESIDENT MAURSTAD: Senator Chambers, you're recognized on the advancement of LB 925.

SENATOR CHAMBERS: Pass at this time.
